

# Eye Emergencies

## We accommodate eye emergencies including:

- Eye infections
- Foreign body stuck in eyes
- Sudden loss of vision
- Uncomfortable, itchy, or irritated eyes
- Flashes of light
- Lost or broken glasses or contacts
- Floaters
- Red or painful eyes
- Dislodged contact lenses

For an eye related emergency call our office **610-373-2300**  
After hours, call **911** in a medical emergency
